GENCYBER

JUNE 20 - 27
2023

A camp for students interested in computers, information technology, and cybersecurity!

Here's what you'll do!

- Learn about online safety and cybersecurity careers (a fast-growing and high-paying field).
- Learn the art of encrypting private messages in order to keep them secure.
- Work on challenging and enjoyable security related problems.

Program fee: FREE!
(thanks to a generous grant from the NSA and NSF)

Who can attend?
Deaf and hard of hearing students who will enter grades 9-12 in the fall of 2023.

How to qualify?

- Must be enrolled in a standard high school diploma program
- Good grades in technology, science, or mathematics courses
- Have a cumulative GPA of 3.0 or above
