

## Workday is Coming for Students!

### **Hello Students,**

We hope your Spring 2024 semester at Gallaudet University is exciting and productive! There are some big things happening, as I am sure you know, and we wanted to be sure you were aware of a few key items:

We have been hard at work implementing Workday Student to replace Bison (PeopleSoft).

We are finally ready to have you start completing some tasks there in the coming weeks. Workday is where you will do all your registration activities for Fall 2024 and beyond. This means that to register for classes for next fall, it will be in Workday!

To accommodate for this shift, Fall Registration will start April 15<sup>th</sup>, 2024.

(If you are taking Summer Courses in Summer 2024, you will still Register in Bison for those courses.)

Starting mid-April 2024 and throughout the Summer of 2024, many self-service, and paper-based tasks, once completed within Bison, will become digital within Workday Student.

The benefits of Workday Student are:

- Responsive User-Friendly Interface
  - Online Registration
  - Financial Aid Management
  - Advising Support
  - Mobile Access on any device
  - Many Self-Service Options to complete tasks
-
