

Workday Academic Features are LIVE!

Hello Gallaudet Community!

We are thrilled to announce that after months of meticulous planning, testing, and preparation, the day

has finally arrived—we officially went live with a major component of Workday, often referred to as Workday Student. on April 1st, 2024! This occasion marks a major step towards improving the student, staff, and faculty experience, streamlining processes, and increasing efficiency.

With its intuitive interface and robust features, Workday will empower our faculty, staff, and students to accomplish their goals more easily and effectively.

Key new features include:

- Seamless integration of student data, enabling real-time access to critical information.
- More self-service options for faculty, staff, and students
- Simplified enrollment processes, making registration and course selection more intuitive for students.
- Comprehensive academic planning tools, empowering students to chart their academic journey with clarity and confidence.
- Providing more consistent data across the Gallaudet Community
- Streamlined financial aid management, ensuring timely disbursement of funds and improved transparency.

As we mark this significant milestone, we extend our heartfelt appreciation to everyone involved. Special thanks to our faculty, staff, and students, whose invaluable feedback and unwavering support have been pivotal throughout this journey.

We want to assure you of our commitment to offering the support and resources needed for a seamless and successful transition. Our dedicated support team is here to address any questions or concerns you may encounter along the way.

We look forward to seeing you at the Workday Support Center this month.
