June Vol 8

Transformative Times with Workday

Official newsletter of Workday Student Project

Greetings, Gallaudet Community!

As we celebrate the accomplishments of our recent graduates, who marked a significant milestone at Commencement on May 10th, we also invite you to explore the latest developments in this month's edition of Transformation Times. Discover how we're continuously enhancing your experience at Gallaudet University and supporting our community's journey towards excellence.

What's Next

Celebrating New Addition of Workday Student (Academic Hub)

We are thrilled about the successful launch of Workday Student this April, which brought significant enhancements in areas of Admissions, Continuing Students Onboarding, Academic Planning and Fall Course Registration. These improvements are pivotal in our ongoing efforts to streamline academic and administrative processes.

Workday Platform & Support Center Launch-Week Snapshot

April 1 to April 15 we saw:

≈ **850 Fall 2024 Applications Reviewed** with 450 decisions published

≈ **25% Undergraduates Registered** for Fall courses

≈ **550 Financial Aid Award Packages**

102 attendees for Workday Learning's Academic Planning & Registration Sessions

82 Workday Learning Sessions offered

Since May 20th our Admissions & Registrar's teams have welcomed ≈ 280¹ new students to the Gallaudet Workday platform for Fall Semester.

Your support and enthusiastic participation is making our Operational Transformation a success!

¹ This includes Graduate, Undergraduate, Continuing Education, and ELI students

Communication Round-Up

Here's a recap of key communications sent out since our April 1st launch, designed to keep you informed and engaged:

Does Workday have the Wrong ID Number?

Workday Mobile

Faculty and Staff Self-guided Training

Registrar's Office Update: Student Records

We've added a new Gallaudet ID for continuing students, which you will see on your profile summary card in Workday. You still have your Bison ID...

Ideas &
Feedback

As we wrap up this edition of the newsletter, the theme of collaboration and progress shines through every project update, spotlight, and terminology shared. The dedication of our teams and the strides made in Academic Management and the exciting new Grading Features reflect our commitment to providing the Gallaudet community with tools that enhance the student experience.

Thank you for being part of this journey. Here's to a year filled with continued collaboration, transparency, and success.

Stay tuned for more exciting updates, and let's make 2024 a year of academic excellence at Gallaudet!
