JESUS CHRIST SUPERSTAR

This rock opera was the first musical done by the M.S.S.D. students in the new auditorium in spring, 1979. The cast was selected from students, staff and teachers. It is the story of Jesus, but the setting is sometime in the future. The priests (G. Saville, D. Hines, P. Easley, D. Grushkin and J. Shay) are against Jesus. King Herod (L. Bryant) and Pontius Pilate (R. Fisher) are also against Jesus. Supporting Jesus are his Apostles and attendants (C. Ersek, A. Dill, E. Dippman, R. Johnson, D. McClintock, M. Ellsworth, M. Miller, W. Sturgill, R. George, T. Philips, B. Daly and J. Gairns. One of the Jesus Apostles, Judas (T. Quinn) betrays Jesus. Pilate, punished by the angry crowd (W. Niethammer, S. Gompers, H. Kinitsky, S. Bally, P. Rugg, S. Smith, K. Habter, M. Tolliver and S. Power) agrees to put Jesus to death. Mckinley Senior High School students directed by Irene Watkins, gave choral support in signs and voice.

DIRTY WORK AT THE CROSSROADS

The MSSD players tried something different for the fall play, and old-fashioned melodrama, "Dirty Work at the Crossroads."

The story is about Nellie Lovelace (Stacey Sullivan), who loves Adam Oakhart (Ed Dippman). But the villain Munro Murgatroyd (Mike Tansky) appears and tries to win Nellie's heart to get the valuable land she will inherit. He kills her mother (Becky Dorsey) and has his wife, Ida Rhinegold (Cheri Jaglowski) drag Adam into a life of sin.

A visitor to the area, Mrs. Upson Asterbilt (Ruth McAlpin) kills Ida, who is an old enemy, Then she escapes, and Adam is blamed for the murder and put in jail.

Later the villain tries to kill Adam, who has escaped from jail just before a deathbed confession from Mrs. Asterbilt reveals Adam is innocent.

Nellie spurns the wicked villain. Munro tries to win the heart of Mrs. Asterbilt's daughter, Leonie (Wendy Smith) because they are very rich. He fails and becomes poor, and returns to Nellie's home to try to do harm to Adam. He puts Adam and Sheriff Mookie Maguggins (Don Grushkin) on the tracks to be killed by a train. Just as the train is coming, Ida Rhinegold appears again, as slinky as ever. Ida resues them both from the onrushing train, while the Munro gets his foot caught in the rail and is killed. Nellie and Adam and their little daughter, Neil (Cheree Ersek) are happily reunited. Also in the play was the Asterbilts's French maid, Fleurette (Michelle Zimmerly).

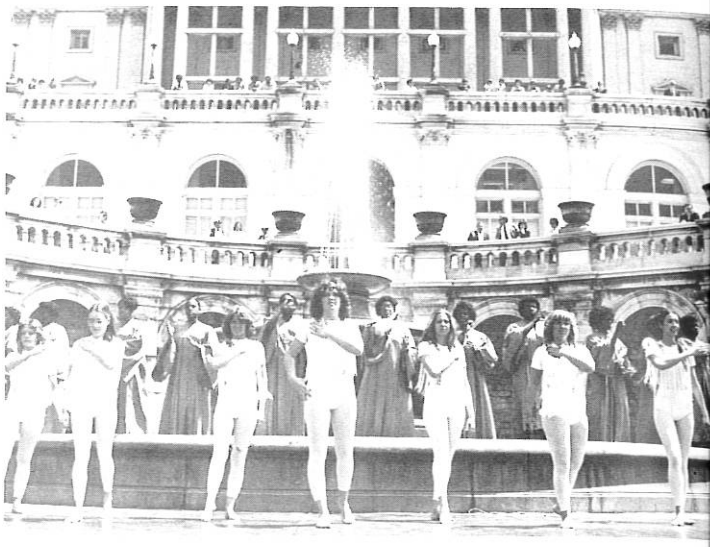

The 1980 Can-Can dancers appearing between scenes were Sandra Coleman, Toni Wright, Sharon Winbush, and Thomasina Smith.

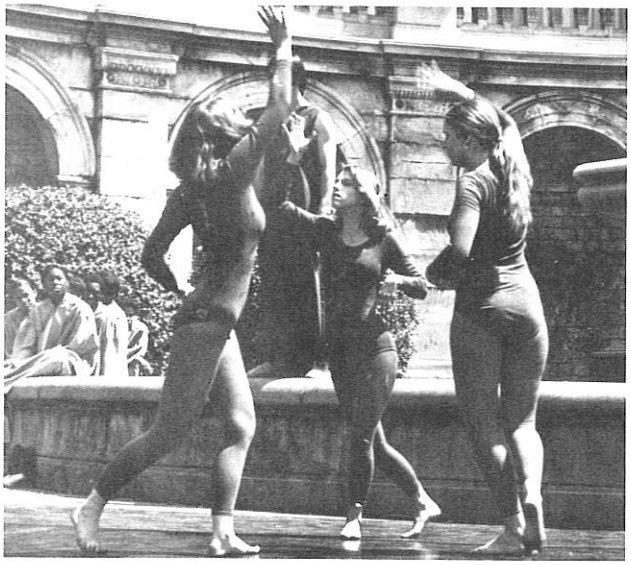

Direction- Tim McCarty and Eric Malzkuhn; Choreography, Marcia Freeman; Technical Director, Emmitt Woodey; Asst. Director, Dan McClintock.

Nine Straight Victories

"MSSD Eagles 1979 National Champions"

The Eagles flew to the Highest possible heights in 1979. A perfect season 9-0-0, outscoring all opponents 362-16. The team had many individual stars placing seven players on the Deaf-All-American team, and five players on the Independent All-Star team in Washington, D.C. Jesse Wade was the first male athlete in MSSD history to be named to the All-Met selection in any sport.

Team work was the key ingredient to this fantastic season. Led by senior Captains Peter Downey and Jesse Wade, the 1979 Football Eagles established goals of excellence to be pursued by all the teams of the future.

MSSD Girls Volleyball 1979

In only our second year of scheduled competition, this years squad posted a 5-11 record. The record is misleading for our volleyball skills and talent because we played against the toughest school in the metro area.

The team was led by our senior outside hitters, Arlene Weinstock and Constance Marshall, who received fantastic sets from our setters Cynthia La Barre and Vicki Chandler. We often played exceptionally well, losing only by a few points in most matches.

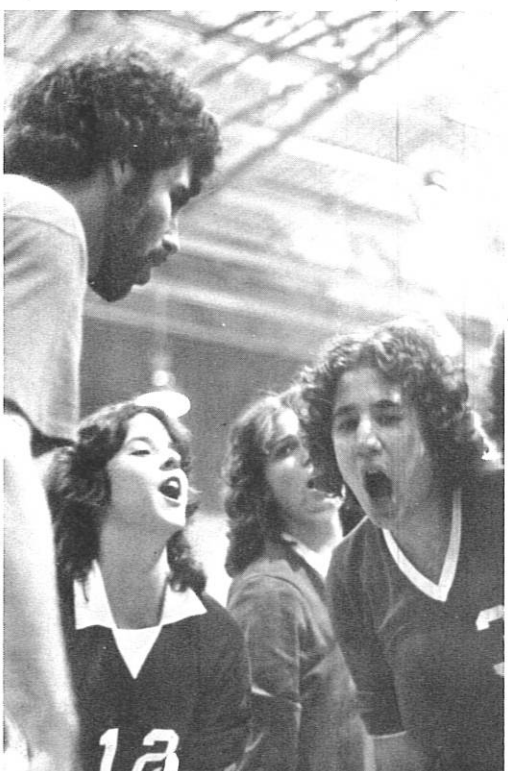

This year's MVP award goes to Felice Pyser for her ability to play an all around game of volleyball. Felice was also voted Captain by her teammates. This year's Most Improved Player award goes to Carol Dunn who played remarkably well for a rookie.

This years squad displayed some fine examples of sportsmanship and their talents improved noticeably throughout the season.

Several Key players will be missed due to graduation but with Felice, Carol, Cynthia, and Sally MacDougall returning next year, the Eagles promise to have their strongest volleyball team ever.

The Goal Is That Way!

Soccer 1979-80

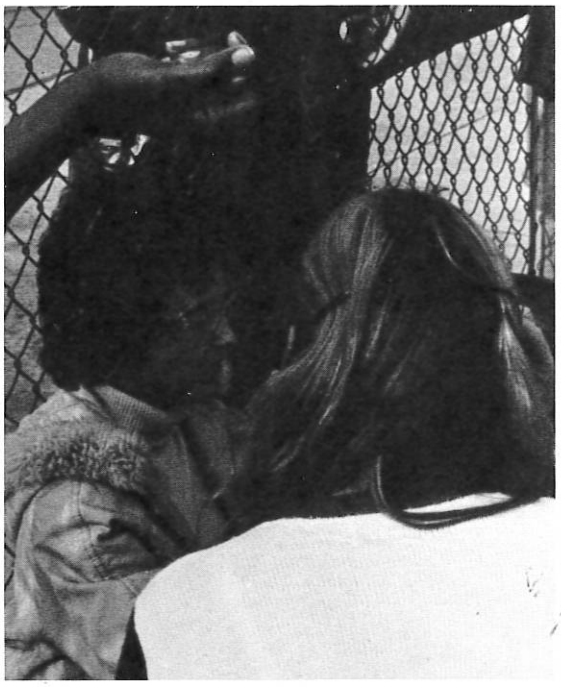

Despite a losing season (3-10), Eagle soccer showed improvement this year. Led by seniors Kidane Habte and Annorath Phimmasone and by freshman David Cleary and Todd Goldberg the Eagle defense frustrated the scoring attempts of many teams.

Our most exciting game was against Georgetown Day School. The score was 0-0. The game ended. We continued to play two ten minute overtime periods. We lost 0-1. Our goalie, Greg Gargan fell asleep in the net.

The Girls' JV basketball record was 7-6. The squad was comprised of many new comers who will hopefully contribute to the varsity soon. Most of the games were exciting, especially a 2 points overtime loss to MSD.

VARSITY BASKETBALL

Girls Varsity Basketball

The Girls Varsity Basketball Team, led by season high scores Connie Marshall (301 points) and Felice Pyser (292) continued its winning tradition. The 1979-80 season record was 15 wins, 2 losses. The team finished second place in the ESDAA tournament in New Jersey. The team was proud to participate in the Pallotti Invitational Tournament for the first time this year. Although our team placed eighth, it was a great experience competing against some of the outstanding area girls varsity teams. In the tournament Connie Marshall was selected for the All-Star team. What an honor!

We bid farewell to our senior players - Connie Marshall, Arlene Weinstock, and Debbie Uthus. We'll miss their enthusiasm, leadership, and support.

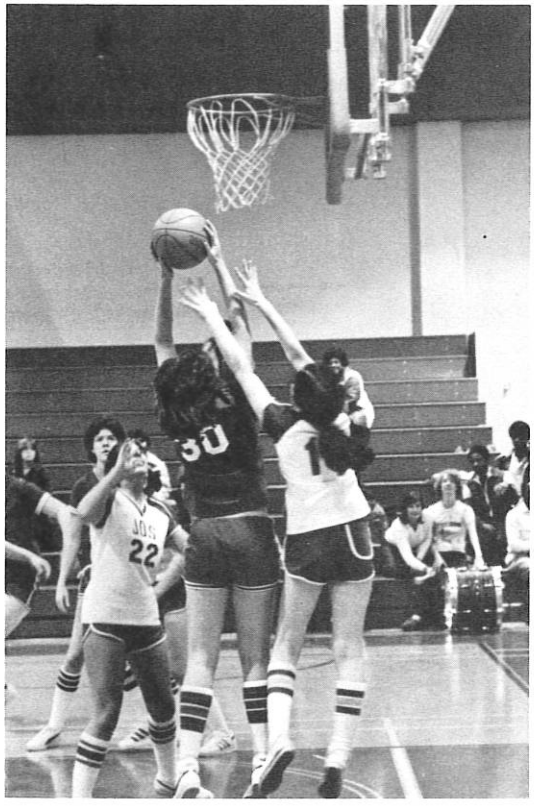

The girls are already looking forward to next year's season.

BOYS V. BASKETBALL

Bob Bergan's rebuilding basketball program took a slight step backward with a 6-17 record and a 7th place show in the ESDAA Tournament at St. Mary's, Buffalo. We made several long trips, going to South Carolina, Pittsburgh and Trenton, NJ which were wonderful experiences for the boys. Admittedly not much help in talent is forthcoming next year to replace our mainstays, Wilfred Overby and Tony Allen who played well this year. With unexpected help next year, it is hoped that we can improve.

Mark and Joey are not satisfied with their plays.

MSSD SWIM TEAM

The MSSD Swim Team showed great improvement in the 1979-80 swimming season. In early December the Tennessee School for the Deaf came to MSSD and defeated us. 1980 brought many swimmers their best times as on January 30 the team won its first meet, against Damascus High School. Having lost a close meet to Kentucky School for the Deaf last year the MSSD swimmers were looking forward to Kentucky's visit here on the 16th of February. The meet was very close and MSSD finally won as the meet was decided in the last event, MSSD-143 KSD-137. The team continued its winning habit as it closed out the year with two more victories to end the season with a three meet winning streak and a season record of 4 wins and 8 losses.

SENIOR TRIP IS TO MYRTLE BEACH, SOUTH CAROLINA.
GRADUATION DAY
JUNE 20,1980

LOOKING BACK . . .

Looking back to my very first days
My fears and anxieties
The feeling of loneliness
In a crowd of 400

But as days went on
That crowd became my friends
And that loneliness subsided
We were all together

We shared the ups and downs
When our team won, we all
felt the victory
And when they lost, it was
our loss as well
But we hung on . . .

Looking back on those days of
eagerness to achieve:
Without the undivided dedication
of the faculty,
We would not be where we are
They held us up with strict
perseverance,
ever on those days that were
less than perfect!

They held us up thru the
roughest times -
Our gratitude is understood, in
a way that can not be shown.
They are our foundation.

Looking back to those endless days,
They don't seem so long anymore.
There's no going back now!
All that is left is our memories
And what wonderful memories they are . . .

I take a long last glance at
the MSSD . . .
As I step out into the new world
It's another new horizon
I can't go back . . .

I can only look back
