# The MSSD Road Show

MSSD's current Road Show was established in the spring of 1989 and has been going on the road ever since. The company goes to different places to perform, such as elementary schools, conventions, workshops and Festivals. This year the Road show will have the opportunity to perform in Scotland, England and Poland. Although The Road show is a lot of hard work, it is a lot of fun and a great opportunity to see new places and meet new people.
