

CHARLOTTE W. NEWCOMBE FOUNDATION SCHOLARSHIP INFORMATION

If you owe a debt on your student account for the current semester and you are in financial need, you are encouraged to apply for the OSWD Newcombe Foundation Scholarship. Newcombe Scholarship awards are applied directly to your Gallaudet student account to help with tuition, and room and board expenses.

To be eligible for the Newcombe Foundation Scholarship, you must:

- have a cumulative GPA of at least 2.5,
- be enrolled at Gallaudet for the semester when application is made,
- demonstrate the need for financial assistance **FOR** the current semester, and
- show active participation in OSWD services by:
 - having at least 3 contacts with your OSWD Coordinator this academic year,
 - completing your OSWD Service Plan and/or developing your Faculty Accommodations Letter for the current semester. Students who have not completed either should set-up an appointment with their Coordinator to complete these tasks.

Important notes:

- Newcombe scholarships can only be awarded for student debt incurred during the semester of application. OSWD cannot offer scholarships for debt prior to the current semester.
- First semester students that have not yet established a Gallaudet University GPA, are not eligible to apply.
- All students applying for the Newcombe Scholarship must complete a "confidentiality release form", allowing OSWD to obtain your GPA, and financial and student accounts information.

Students who do not complete the above paperwork or meet with their coordinator will not be eligible for the Newcombe Scholarship.
