# FEATURED SCHOLARSHIPS

## ISAAC AGBOOLA FUND

**Dr. Isaac Agboola, '81 & G-'83** (pictured left), passed away on February 22, 2017, at the age of 60. Agboola was born in Nigeria. As a young deaf person, he was heavily influenced by **Dr. Andrew J. Foster, '54 & H-'70**, who founded 31 deaf schools across the African continent. Agboola first met Foster in 1971 while attending the Ibadan Mission School for the Deaf in Nigeria, and decided to attend Gallaudet beginning in 1978. After graduating *summa cum laude* in 1981, he went on to earn a Master of Business Administration degree at Gallaudet in 1983, and his Doctor of Philosophy degree in Information Systems at the University of Maryland, College Park in 1998. He served as faculty and department chair for the Department of Business, then was appointed as Dean of the College of Liberal Arts, Sciences, and Technologies. He became an interim, then permanent, Dean of the School of Education, Business, and Human Services (SEBHS). He also was involved in the creation of the new Risk Management and Insurance major. Everyone who knew Agboola will remember his broad smile and how merrily he laughed; how he could appear stern one moment and self-deprecating the next. The **Dr. Isaac O. Agboola, '81 & G-'83, Memorial Fund** provides financial support for full-time deaf and hard of hearing international students from Africa, preferably of Nigerian descent, or for students from developing countries.

## GUAA/NEWCOMBE SCHOLARSHIP FUND

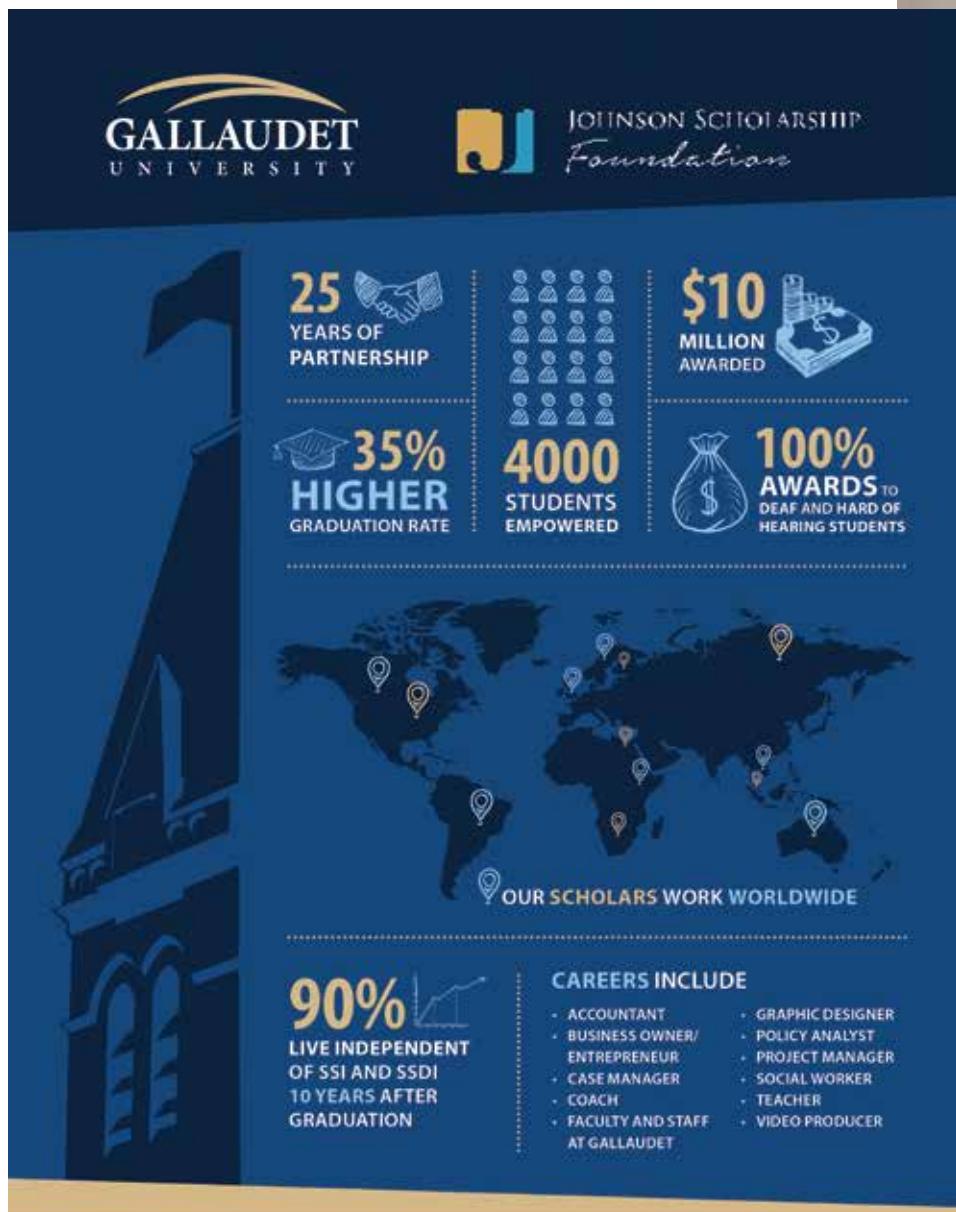

The **GUAA/Charlotte W. Newcombe Endowed Scholarship Fund** was set up by the Newcombe Foundation and the Gallaudet University Alumni Association (GUAA). The Newcombe Foundation matched GUAA's \$100,000 pledge to provide scholarships based on merit and financial need for undergraduate deaf and hard of hearing students with a GPA of 3.0 or higher. The foundation has given to Gallaudet for over 35 years, supporting internships through the Career Center and to students involved in the Office for Students With Disabilities (OSWD) program.

## ENGLAND FAMILY FUND

The **England Family Entrepreneurship and Innovation Fund**, located in Washington D.C., provides the ability to create an action plan for sustaining entrepreneurship education at Gallaudet, which will help prepare students for business ownership and self-employment. The England family generously donated to Gallaudet for over 25 years, and also have an endowed fund that supports the Hillel Program at Gallaudet.

## JOHNSON FUND

As one of the most enduring and generous financial gifts to Gallaudet University since Deaf President Now captured the attention of the nation 30 years ago, the **Theodore R. & Vivian M. Johnson Scholarship Foundation** (JSF) has, for the last 25 years, provided Gallaudet more than \$10 million, which in turn has awarded scholarships to more than 4,000 deaf and hard of hearing students. While achieving great financial success, Johnson wanted to use his wealth to help others who were less fortunate. Through the establishment of JSF, the couple sought to help future generations of deserving people obtain education. During the 25 year celebration, held September 11, 2017, statistics and information were made available, and a campus tour was given to guests.

## PRESIDENT'S CIRCLE
